CLASS OF 2010

STEM 2nd Annual High School Graduation Ceremony Strengthening America's Communities™

Dear Graduating Students Class of 2010:

It is our honor to pay special tribute to the high school graduating class of 2010 during our second annual STEM High School Graduation Ceremony.

America's future will best be served by well qualified and determined graduates from our secondary institutions of learning, we will honor graduates who have satisfied their requirements for a college or university and will do so with majors in Science, Technology, Engineering and Mathematics.

We invite you to attend the STEM High School Graduation Ceremony, Monday, June 14th at the Horn Theatre, on the Cheyenne Campus of the College of Southern Nevada (CSN), 3200 East Cheyenne Ave. North Las Vegas, Nevada 89030, starting at 7:00 p.m. and ending at 9:30 p.m. Please wear your cap and gown to the graduation ceremony representing your school.

Your dreams and aspirations can only be achieved by your personal determination and self-regulated discipline to further your education by completing four years of college achieving your Bachelors Degree, and completing two additional years to achieve your Maters Degree and for the graduates who have set their goals to receive their Doctorate Degree we honor your dreams.

We congratulate you on your achievements to meet the requirements for graduation; your academic journey over the past twelve years speaks volumes about your character, will power, your resiliency, determination, and desire to succeed against all challenges. On behalf of the College of Southern Nevada (CSN), the Clark County School District (CCSD), Goshen Community Development Coalition (CDCD) and Strengthening America's Communities™ (SAC) we extend our sincere admiration and appreciation to you for a job well done.

We would like to extend a special thanks to the Clark County School District, Superintendent Dr. Walt Rulffes, the College of Southern Nevada, President Dr. Michael Richards and Mr. Larry Mason for their overwhelming support of the STEM Program over the past three years.

We look forward to receiving your participation form, if you have questions please contact us at (702) 648-0889, or on my cell at (702) 204-3015, or download additional forms on our web site at www.STEMUSA.us.

Sincerely,
